

Wolf Moon (Including Zoanthropic Paranoia)

Type O Negative

The 28th day
She'll be bleeding again
And in lupine ways
We'll alleviate the painUnholy water
Sanguine addiction
Those silver bullets
A last blood benedictionIt is her moon time
When there's iron in the air
A rusted essence
Woman may I know you're thereUnholy water
Sanguine addiction
Those silver bullets
A last blood benedictionHey, Wolf Moon
Come cast your spell on me
Hey, Wolf Moon
Come cast your spell on meDon't spill a drop dear
Let me kiss the curse away
Yourself in my mouth
Will you leave me with your taste?Hey, Wolf Moon
Come cast your spell on me
Hey, Wolf Moon
Come cast your spell on meBeware
The woods at night
Beware
The lunar lightSo in this gray haze
We'll be meeting again and again
And on that great day
I will tease you all the sameUnholy water
Sanguine addiction
Those silver bullets
A last blood benedictionHey, Wolf Moon
Come cast your spell on me
Hey, Wolf Moon
Come cast your spell on meBeware
The woods at night
Beware
The lunar light
