

# Heart on My Sleeve

[Olly Murs](#)

You think you've heard this before  
I'll try and say it differently  
As long as it comes naturally to me  
It's been making me sad 'Cause I can't find a better way  
Speak the words I wanna say to you  
Know how I love you  
You know I need you And I want you to know  
Won't let you down, no, I can't let go  
And I want you to see  
Every day I wear my heart on my sleeve  
On my sleeve It's been driving me mad  
Consistent tones and constant drones  
Keep pulling me back inside my head  
Nothing matters at all The world will keep on spinning 'round  
All these feelings keep on pouring out  
Oh, how I love you  
Oh, how I need you And I want you to know  
Won't let you down, no, I can't let go  
And I want you to see  
Every day I wear my heart on my sleeve Ooh, I try to write the words down  
Ooh, before they're lost and won't come out  
Oh, please help me save my soul Yeah, I want you to know  
Won't let you down, no, I can't let go  
And I want you to see  
Every day I wear my heart on my sleeve Heart on my sleeve, heart on my sleeve  
Heart on my sleeve, yeah No, I can't let you go, can't let you go  
Oh, I want you to know I won't let you down  
Every day, yeah, I can't let go  
I wear my heart on my sleeve
