

# Hero

## Fanmail

I want to be your real life superstar  
I think I've told you once before  
Line them up, bring them in  
Wear me out to entertain you I wanna be the hero that you set your eyes upon  
Build me up to tear me down  
I wanna be the hero that you set your eyes upon  
Choose the next poor fool to wear the crown I wanna be your real life, know it all  
A bleeding heart has felt the truth  
Nine more years, I've never seen  
Anyone who's perfect, needed god to intervene I wanna be the hero that you set your eyes upon  
Build me up to tear me down  
I wanna be the hero that you set your eyes upon  
Choose the next poor fool to wear the crown
