This Is It

Ryan Adams & The Cardinals

Let me sing a song for you
That's never been sung before
All the words were meant for you
And never been said beforeShe kisses when she sleeps
She kisses when she's sleeping
Let me sing a song for you
A song that's worth the dreamingDon't waste my time
This is it
This is really happeningWhat's the use in marigolds
These flowers are for you
All the lights go after burn
The sky it splits in two
I kiss her on her teeth
I kiss her on her teeth, hmm
Let me sing a song for you
That alters your beliefDon't waste my time
This is it
This is really happeningDon't waste my time
This is it
This is really happening
HappeningDon't waste my time
This is it
This is really happening
Don't waste my time
This is it
This is really happening
This is really happening
This is really happening
