

# Munkee

## Bread Pilot

Kickin' it old school with my boys  
In the backyard  
Can we cruise the neighborhood (?)  
You know I love the sweet sound  
Of your smooth words  
The toxic waste always doesn't sound good

Ooh woah

Monkey see what monkey do  
She knows exactly what to do  
Monkey see what monkey do

Monkey see what monkey do  
She knows exactly what to do  
Monkey see what monkey do

Ooh ahh
