

# Without Him

Debra Killings

Lead:

Everyday was struggle for me  
Losing faith and I lost belief  
So many things I thought  
Thought that I could do but  
success became far and few

See I can't

Chorus:  
I can't sing without him  
I can't think without him  
I can't give without him  
I can't live without him

Hook:

The world feels so empty  
Without him  
Feels like it's gonna fail  
Without him

I see it in the middle of the sea  
Without him

Like a ship without a sail  
Without him

Life is headed for destruction  
Without him

I can see it coming through  
Without him

Lord I can't do nothing  
Without him

Nothing without you  
Without him

Lead:  
I look to put him first  
He standing there for me  
From the roads I chose before  
I never see them leading me

Anything I ever wanted  
wouldn't come my way  
All the words that came  
out wrong everything

I wanna say

(Chorus Repeat) Hook 2:

World feels so empty  
Without him

Feels like I'm gonna fail  
Without him  
See it in the middle of the sea  
Without him  
Like a ship without a sail  
Without him  
Life is headed for destruction  
Without him  
Can't you see it coming through  
Without him  
Now Lord I can't do nothing  
Without him  
Nothing without you  
Without him  
Bridge:  
There is nothing I can not do  
Without you I would be through  
Only you are the beginning  
And only you are there till the end  
(Chorus Repeat 2x / The end)
