Run for Your Life

The Creepshow

So awake it'll sting your eyes
Rot your bones and leave you paralyzed
This demon's got you she destroys you line by line
Like a train on a one way track
Keeps on goin' never coming back
No don't wait until tomorrowYour night is vanished by the devil
Your lies and empty promises are never gonna make it right
[chorus:]
RUN FOR YOUR LIFE
Nobodies gonna wake you up
Nobodies gonna save you now
She feeds on broken dreams and haunts you through the night
RUN FOR YOUR LIFE
Nobodies gonna wake you up
Nobodies gonna save you now
This train's a hell bound ride so hold your pillow tightTook your soul and left nothing behind
Down to the depths of your wilted cries
This demon's got you she destroys you line by line
Stop now and you'll have to face it
Fleet footed baby and it's you she's chasin'
No don't wait until tomorrowShe'll drag you down and make you tremble
You can't escape this sufferin' there ain't no place to hide
[chorus]Your never ending self destruction is gonna leave you with nothing
There's still time to save yourself and turn this into something
We built this up don't tear it down, we need you in this game
Cause once you're gone things are never gonna be the same[chorus]
