

Wading in the Velvet Sea (Guitar section)

Phish

I took a moment from my day
Wrapped it up in things you say
Mailed it off to your address
You'll get it pretty soon unlessThe packaging begins to break
And all the points I tried to make
Are tossed with thoughts into a bin
Time leaks out my life leaks inYou won't find moments in a box
And someone else will set your clocks
I took a moment from my day
Wrapped it up in things you say
And mailed it off to you
