

There's a Light

Emmylou Harris

There's a light, there's a light in the darkness
And the black of the night cannot harm us
We can trust not to fear for our comfort is near
There's a light, there's a light in the darkness It will rain, it will rain in the desert
In the cracks of the plain, there's a treasure
Like the thirst of the seed we will await we believe
It will rain, it will rain in the desert We will fly, we will fly, we will let go
To this world we will die but our hearts know
We'll see more on that side when the door opens wide
We will fly, we will fly, we will fly, we will fly, we will all go
