

# Some Kind of Love

## The Killers

You got the will of a wild  
A wild bird  
You got the faith of a child  
Before the world gets in You got some kind of love  
You got some kind of love  
(Some kind) You got the soul of a truck  
On a long distance haul  
You got the grace of the storm  
In the desert You got some kind of love  
(Some kind of love)  
You got some kind of love  
You got some kind  
You got some kind  
You got some kind  
You got some kind of love You got some kind  
You got some kind  
You got some kind  
You got some kind of love You got some kind  
You got some kind  
You got some kind  
You got some kind of love Can't do this alone  
We need you at home  
There's so much to see  
We know that you're strong  
Can't do this alone  
We need you at home  
There's so much to see  
We know that you're strong  
Can't do this alone
