

Like a Revolution

Taking Dawn

Rock is dead and gone, the same old song
Another sickening sing-along
The pop d'jour, a faceless whore
And i can't take it any
More i see, the more it makes me scream And they take it away - 3x.
No, not from me
All that I wanna do is Burn, can't keep me quiet
I'm a riot rippin' through your head
Burn, burn, burn, go on and try it
I'm a riot revving in the red Like a revolution - 2x. Can you feel the fangs sink so deep
While you pray your soul to keep?
The last drop dries the blood-stained floor
And I can't take it any
More I see, he more it makes me scream And they take it away - 3x.
No, not from me
All that I wanna do is Burn, can't keep me quiet
I'm a riot rippin' through your head
Burn, burn, burn, go on and try it
I'm a riot revving in the red Like a revolution - 4x. Burn, can't keep me quiet
I'm a riot rippin' through your head
Burn, burn, burn, go on and try it
I'm a riot revving in the red Like a revolution
(Riot, yeah, baby)
