

Hiya Hiya

Khaled

Pitbull aka Christian great
But please, baby you can call me...
I make you fall in love
I?m a thief with the heart
To me it?s an art

Baby your eyes don?t lie
I can see you want a little bit of me
In your life
I can treat you like the princess you are
But behind closed doors
We can do it all
Ladies first, when I open doors
I got an open mind, let me open yours
You can come see me while I?m on tour
But until then, besitos mi amor

Watching you, watching me,
Watching you, watching me,
And I?ma give you want right,
Watching you, watching me,
Watching you, watching me,
And I?ma give you want right.
