

I Am

Godsmack

I am your spoken truth
I am the lies in you
I'm gonna make you shine in everything you do
I am your lighted way
And I'm your darkest day
I'm here to help you see you can rely on me

Just consider me your friend
I am until the end
Can I guarantee you life?
I don't think I can

This isn't the life for me
This isn't the way I wanna be
And let me tell you
Death will come when I'm good and ready

I am your peace of mind
Confusing all your time
I'm running through your veins, I am your pain
I thought by now you'd know
I'll never let you go
It's time you recognize I am the devil's eyes

Just consider me your friend
I am until the end
Can I guarantee you life?
I don't think I can

This isn't the life for me
This isn't the way I wanna be
And let me tell you
Death will come when I'm good and ready

This isn't the life for me
This isn't the way I wanna be
And let me tell you
Death will come when I'm good and ready

(Background)

(Death will come when I'm good and goddamn ready)

Take me by my hand
And let me show you what I am
I'm taking control again
Now I know I can
Take you back to where it all began
'Cause I am

This isn't the life for me
This isn't the way I wanna be
And let me tell you
Death will come when I'm good and ready

This isn't the life for me
This isn't the way I wanna be
And let me tell you
Death will come when I'm good and ready
