

# Beginning of a Bad Idea

[Tyler Ward](#)

Comfortable like an old sweater  
Memorable, you just can't forget her  
Starting over is the hardest thing to do  
History has a way of repeating  
Eventually we'll just do the same thing  
Starting over is impossible with youChorus:

So don't pick up anymore  
When I call you up  
Cause it's the beginning  
Of a bad idea

A bad ideaLoneliness has a way of magnifying this  
Feeling that I'm still not, no I'm not over youChorus:

So don't pick up anymore  
When I call you up  
Cause it's the beginning  
Of a bad idea

A bad ideaI'm still in love with you  
Guess I'll love you from a distanceChorus:

So don't pick up anymore  
When I call you up  
Cause it's the beginning  
Of a bad idea  
A bad idea
