

Starts and Ends

Hillsong UNITED

VERSE 1

My soul thirsts for things I can't explain
In my bones a beckoning to pray
If my heart is a battleground
My defences run both ways
The flesh is a beggar and thief
But there is a Spirit-man awakening me

VERSE 2

When real life and peace won't make amends
When all these starts
Start feeling like these ends
Like the world is unravelling
And I'm bound to come undone
There is a Shepherd a Priest
There is a Comforter who comforts me

REFRAIN 1

And my soul finds rest
Where it makes no sense
There the blood sets me free

REFRAIN 2

All my old regrets
All my brokenness
All my failures redeemed

REFRAIN 3

And it feels like grace
Where I stacked my shame
There the cross stands for me

REFRAIN 4

All the things I've done
All the times I've run
All my dead ends redeemed

REFRAIN 5

And it looks like hope
Where my heart was broke
And His heart broke for me

BRIDGE

Lay your burden down upon
Down upon Him
Lay your burden down

PRE-CHORUS

Jesus my rest in peace
My reconciler
You're my every good thing
REFRAIN 6
I surrender all
All I'm living for
You're my every good thing
REFRAIN 7
You're my amnesty
You're my split wide sea
You're my every good thingREFRAIN 8
All my days and nights
You're my death to life
You're the wonder I breathe
REFRAIN 9
You're my can't explain
First and last refrain
You're my every good thing
