

Warmness On The Soul [Single Version]

Avenged Sevenfold

Your hazel, green-tint eyes watching, every move I make
And that feeling of doubt is erased
I'll never feel alone again with you by my side,
Or the one, and in you I confine
And we have gone through good and bad times
But your conditional love was always on my mind
You've been there from the start for me...
And your love's always been true as can be

I give my heart to you
I give my heart, 'cause nothing can compare in this world to you
whoa..

And we have gone through good and bad times,
But your conditional love was always on my mind
You've been there from the start for me..
And your love's always been true as can be

I give my heart to you
I give my heart, 'cause nothing can compare in this world to you,
whoa..

I give my heart to you,
I give my heart, 'cause nothing can compare in this world to you
whoa..
