Celebrate The Pyre

Poison the Well

I've lived my life without direction
Holding on to a gift given long ago
Because of this I'll pay for my mistakes
The rest of my life, the rest of my lifeDragging my body along the black expanse
I can smell the burning trail left behind, oh noI'm not a failure, I'm not alone
As this comes to a close I look back hoping to see myself
And it's not because of the blaze I've left behind
It's possible I've burned everything in my pathI turn back and say because of how you have lived your life
You will not find your way again
I look back because of how you have lived your life
You will not find your way again, again, yeahBecause of this I'll pay for my mistakes
The rest of my life, the rest of my lifeI'm not a failure, I'm not alone
I've lived my life without direction
Holding on to a gift given long agoDragging my body along the black expanse
I can smell the burning trail I have left behind
I'm not a failure, I'm not alone
I'm not a failure, I'm not alone
