My Life

jj

I'm grindin' until I'm tired
They say you ain't grindin' until you die
So, I'm grindin' with my eyes wide
Lookin' to find a way through the day
The life of the nightDear Lord, you took so many of my people
I'm just wondering why you haven't taken my life
What the hell am I doing right?
What the hell am I doing right?I'm grindin' until I'm tired
They say you ain't grindin' until you die
So, I'm grindin' with my eyes wide
Lookin' to find a way through the day
The life of the nightDear Lord, you took so many of my people
I'm just wondering why you haven't taken my life
What the hell am I doing right?
