Yukmouth

I got a bitch that is full of nut and likes to take up the butt
With questioned asked, I never was in the pimp game
But I'm about jump in it and win it I got bitch right now that will get down dirty like a dum
She as more butt than some
She loves to lick the cum and be like yum yum
And when I fuck her she lets me cum on her tum That's how I'm living with these ho's get me clothes
And buying me mo's to pop, I want even waste drop
