

# Amazing

## Big Time Rush

Looks good in a dress, even better in my sweatshirt  
My car is a mess, but she don't mind  
She never complains, even when I'm out all night  
I sleep in all day, and that's just fine 'Cause she knows that I'm falling fast  
I know that I'll never let her go  
Singing oh yea I'm loving that, the way she makes me feel  
Singing oh yea she's so rad, this is just unreal  
And all around the world I've never seen a girl that makes me crazy baby  
Girl you're just amazing  
Girl you're just amazing  
Girl you're just amazing I like the show, but doesn't beg for attention  
She already knows she's got the part  
She lives in the now, even though it's not forever  
So girl take a bow, you've won my heart 'Cause she knows that I'm falling fast  
I know that I'll never let her go  
Singing oh yea I'm loving that, the way she makes me feel  
Singing oh yea she's so rad, this is just unreal  
And all around the world I've never seen a girl that makes me crazy baby  
Girl you're just amazing  
Girl you're just amazing  
Girl you're just amazing  
Girl you're just amazing  
Girl you're just amazing  
Girl you're just amazing Now baby listen to me, you're more than all that I need when you're by my side  
I must be under a spell, and girl if you couldn't tell, you light up my life  
Singing oh yea I'm loving that, the way she makes me feel  
Singing oh yea she's so rad, this is just unreal  
And all around the world I've never seen a girl that makes me crazy baby  
Girl you're just amazing  
Singing oh yea I'm loving that, the way she makes me feel  
Singing oh yea she's so rad, this is just unreal  
And all around the world I've never seen a girl that makes me crazy baby  
Girl you're just amazing  
Girl you're just amazing  
Girl you're just amazing
