# as we fall (mordacious remix)

## Imperative Reaction

I'm trying to hold on
But I'm losing ground
Drifting towards the edge
As it all comes down
I'm giving in
There is no answer
Falling down within
Holding on to might have beenAs we fall don't look down
It's all collapsing to the ground
Drowning everything we are
Don't look down
As we fall don't let go
This is too much to take alone
Watching all the things we are
Fall apartI'm starting to let go
But it's too late now
We've reached the end
With nothing left to show
I'm giving in
There is no answer
Falling down within
Holding on to might have been
