Hurt You First (Acoustic)

Niia

You're too good to me
Fill me up when my glass looks empty
You always try to see
A better version of meNever waited
Cause I know that you'll always make it
I can't take it
You're just too calculated(Yeah it's you or me who breaks it all)
I can't barely face it
(Yeah it's you or me who takes the fall)
And I can barely take it
So I'm gonna hurt
I'm gonna hurt you first
I'm gonna hurt
I'm gonna hurt you firstI'll be the one who makes you cry
I'll be the one who gets do decide
Oh, I'm gonna hurt you firstAre you guilty?
Is there a secret that you 're hiding?
My prince charming
I guess it's all a case of timing
Can you blame me?
For protecting myself baby
You' re too perfect
Too perfectly orchestrated
