Baby Boy

Whigfield

Won't you touch me baby boy I need happiness so let's rejoyce Feeling motion trip your body You'll be forever my baby boyJust caress me baby boy I need a little love and you're my choise Feel sensation lift your body We'll be together my baby boyMy my my my my baby My my my my baby My my my my my baby boyMy my my my my baby My my my my my baby My my my my my baby boyOh oh oh oh oh oh Touch my heart oh baby boy 'Cos you got the love that I enjoy Feel the flame right in your body You'll be forever my baby boyHold me tight my baby boy You gotta stay with me now Don't be coy Feel devotion in your body We'll be together my baby boyOh oh oh oh oh oh oh Won't you touch me baby boy I need happiness so let's rejoyce Feeling motion trip your body You'll be forever my baby boyJust caress me baby boy
