

Real A Lie (ft. Steve Durand & Jordon Zadorozny)

Auf Der Maur

So free and so fuck, so aroused
So alone I try to find the lie,
That lies beneath you, I try
Like a wave, I'm self-acclaimed Real a lie, you're truly mine..Real a lie, you're truly mine
I am that kind, living blind
Real a lie, I am that kind
Living blind, for a lie Real a lie, you're truly mine
I am that kind, living blind
Real a lie, I am that kind
Living blind, for a lie Behind closed doors your folded blind,
You're truly mine, from behind
Closed doors you meet me,
Like a wave, I'm self-acclaimed Real a lie, you're truly mine..Real a lie, you're truly mine
I am that kind, living blind
Real a lie, I am that kind
Living blind, for a lie Real a lie, you're truly mine
I am that kind, living blind
Real a lie, I am that kind
Living blind, for a lie Deep and so far, low down
Growing green, far above the waves
Got a lie, you and I
Wave, wave, wave Doo doo doo doo doo doo doo (4x) Real a lie, you're truly mine
I am that kind, living blind
Real a lie, I am that kind
Living blind, for a lie
For a lie..
