Ghetto You

Backyard Babies

You wanna hear a story
A story 'bout a broken man
You're just trippin' nowhere or is it hard for you to understand
that i'm a man
I'm so sick and tired of you
You better not touch me
I'm so sick and tired of you
and the crazy things you do
I'm getting sick and tired
I'm getting sick and tired
And i'll die just to get to you
Baby i will lie just to get to you
but i ain't never gonna cry
So you wanna hear another story
Another story in a different place
But when it comes to lovin'
i will leave you with a broken face
'cause i'm a man
I don't believe that i will live forever
but i do believe that will die
And i'm gonna drive by a hundred miles'cause i'm a high flying sucker with a super smile
