[Loverboy](#)

Here's lookin' at you
What do you think the chances are we're gonna make it together?
Here's callin' your name
'Cause I have to do the things I have to doWhat's a poor boy to do
When he's fallen in love with you?
Help me make it through the night
Everything's gonna be alright, yeahCome to me deep in the night
Look at you, I feel alright
Crazy little things you do
Make me wanna be with you tonightWhat's a poor boy to do
When he's fallen in love with you?
Help me make it through the night
Everything's gonna be alrightYou take me to the top
Take me to the top, take me to the top
Yes you take me
Take me to the, take me to the
Take me to the topJust give me your hand
Hold it out, close your eyes, move up close to me
Just talk to me in the tone of voice
