

Sure Thing (Remastered)

Bud Powell

Ruff Endz - Sure Thing

Yea?

Play that dance song

I just want you to listen? Never thought that there could be

Can be a girl for me

Never though I could find this kinda love in my lifetime

No one never though that she can make me so happy

I got the girl of my dreams

I?e found my sure thing You my thing for long while

Though I never be tied down

Guess I never felt anyone ready for real love

If you want to get real love

Got me thinking my future plans

Makes me want to step up to the plate and be a good man

Some look forever

And never find the joy I?e found in you (ohh)

So true? You make me want to do right

Come home to you every night

You?e changed my life

Like I? in love for the first time

You make me want to settle down

This love in you I?e found

You me want to get the ring

Cause I?e found my sure thing (never though, never though) Never thought that there could be

Can be a girl for me

Never though I could find this kinda love in my lifetime

(Never though) No one never though that she can make me so happy

I got the girl of my dreams

I found my sure thing Made you promises I?e never meant to anyone

And it not about sex

I have a deeper love

You have this inner beauty I?e never seen

So incredible

So appealing

(Baby)

I give up everything just to have the joy

The joy that you bring

Cause my everything

Like a cool breeze on a summers day

So refreshing to me
Cause you the real thing You make me want to do right
Come home to you every night (home)
You change my life (changed it)
Like I in love for the first time (like i? in love)
You make me want to settle down (settle down)-acap
