

Don't Keep Me Lonely Too Long

[George Jones](#)

DON'T KEEP ME LONELY TOO LONG

(Melba Montgomery)

'66 Glad Music It sure gets lonely alone no one to talk to alone
Nights sure get longer since you've gone don't leave me lonely too long
I need your arms to hold me and hear you say you need me
Don't let me live on dreams alone don't keep me lonely too long
Mem'ries are bad for one so lonely
My tortured heart cries out because it loves and wants you only
Yes I'm too lonely alone afraid of being alone
Without your love I can't go on don't leave me lonely too long
Don't leave me lonely too long
