Off Da Hook

Bootsy Collins

You can hear we slap while we come to ya speaker
Frequency commin' high, cos' we can see ya
Y'all be busy off da hook plus you got sugar
And don't we take a hold of the place but don't give me da look
Dat look, that you definitely... oh my my
But if you would be babblin' like I do it won't be right
There's no need for bad boys to step too close
I like to throw it down my way, no I don't be play
No one say "who", y'all say "could that be"
The timing is incredible unique couple of T
Chillin' with Brixx, that's me who's made this song
Be a shelter for bad times, let's say it onDon't have enough of another perfectly
Don't you get enough bluffin' to me
I came in came out no doubt and the *** spot was free
Huh!
Nothing but just funkin', that's all you gotta do to me
See my body doing something with it
Check the stuff's pumping everything
I want to get my mindGet busy off da hook
We bring it by the house gettin' dizzy
Get busy off da hook
The only thing we have to be
Busy off da hook
We bring it by the house gettin' dizzy
Get busy off da hook
The only thing we have to beNo matter the weather we gotta stay get together
Whatever other thing your stylish moves is level
Get never get enough, your stuff is on
The sweetest poem I write is like a puss before we zone
Your cologne washed all up in da rain
Your naggity on my term like honey and classy
First you bash me, didn't want it to ash me
The first time I am at your window like you won't be flashed
*** Chill upon yo!
Hope you can make alot if you want da
Thought the cannaweed be gone da
Feel close *** stop da look
While *** son got me busy off da hookSo you're keeping on to hurt who you try not to ***
The flavor of my beat look I am talking ***

Huh!
I may reveal that I am also a shook up
Funky brothers were in da hood-a
So nothing 'bout the way they stood
The thoughts were preferably it was off off da hookGet busy off da hook
We bring it by the house gettin' dizzy
Get busy off da hook
The only thing we have to be
Busy off da hook
We bring it by the house gettin' dizzy
Get busy off da hook
The only thing we have to beI get busy on you, baby
