

Jole Blon (Re-Recorded In Stereo)

Roy Acuff

Jole Blon, Delta Flower
You're my darling, you're my sunshine
You know I love you, adore you
Forever I love you
And I promise I'll always be true Oh ho ho
Ah ha ha In the evening, in the shadows
I'll be waiting by the river
And when I hear your sweet voice
I'll rejoice, I'll save my kisses for you Jole Blon, Cajun Angel
Let me tell you how I love you
In the spring you swore we'd be married
and I'm waiting still for you Oh ho ho
Ah ha ha When your hair turns to silver
I'll still call you, Delta Flower
Pretty Blon, I still love you
And I will wait for you Oh ho ho
Ah ha ha
