Let's Have a Party

Wanda Jackson

Some people like to rock
Some people like to roll
But movin' and a groovin'
Gonna satisfy my soulLet's have a party
Ooh, let's have a party
Well, send it to the store, let's buy some more
Let's have a party tonightI never kissed a bear
I never kissed a goon
But I can shake a chicken
In the middle of the roomLet's have a party
Ooh, let's have a party
Oh, send it to the store, let's buy some more
Let's have a party tonightI never kissed a bear
I never kissed a goon
But I can shake a chicken
In the middle of the roomLet's have a party
Ooh, let's have a party
Oh, send it to the store, let's buy some more
Let's have a party tonightHonky Tonky Joe
Is knockin' at the door
Bring him in and fill him up
And set him on the floorLet's have a party
Ooh, let's have a party
Well, send it to the store, let's buy some more
Let's have a party tonightThe meat is on the stove
The bread's a-gettin' hot
Everybody run
They got the 'possum in the potLet's have a party
Ooh, let's have a party
Well, send it to the store, let's buy some more
Let's have a party tonightLet's have a party tonight
Well, let's have a party tonight
We gon' have a party tonight
Well, let's have a party tonight
