

Pumping Velvet

Yello

DynamitePutz karam sheoba kitsch daboum
Waiting for the lady in the red balloon
Putz dada sheoba sleik dabich
Looking for a groove she stares at me, that witchPoud karoud sheoba diba duglak
Leather and lace, she's wearing black
Poud karoub sheoba diba diboum
Believe it or not, she doesn't know my nameDynamitePutz karam sheoba kitsch daboum
Putz dada sheoba sleik dabich
Poud karoub sheoba tipa ziglack
Poud karoub sheoba dib diboum
Putz karam sheoba kitsch daboumPutz karam sheoba kitsch daboum
She's spinning circles around my balloon
Putz karam sheoba kitsch daboum
She's dynamite the lady and that's unfair
I'm stuck in my balloon, stuck in the air
