

# Gudbuy T' Jane

**Britny Fox**

Gudbuy t' Jane, gudbuy t' Jane she's a dark horse if she can.

Gudbuy t' Jane, gudbuy t' Jane painted up like a fancy young man. She's a queen, can't you see what I mean.

She's a queen, see see she's a queen and I know

She's alright, alright, alright, alright. I say she's so young, she's so young (3 x's) I said gudbuy t' Jane, gudbuy t'

Jane. Get's a kick from her forties trip boots.

Gudbuy t' Jane, gudbuy t' Jane has them made to match up her suits. bridge Gudbuy t' Jane, gudbuy t' Jane like a  
dark horse see how she ran.

Gudbuy t' Jane, gudbuy t' Jane sneaks on me cause she knows she can. See see see see see she's a queen and I  
know.
