

The Last Man in My Life

[Sarah Brightman](#)

I'm a lady when you kiss me
I'm a child when you are leaving
I'm a woman ev'ry time our bodies meet
CompleteLong lost feelings stir inside me
Used to think nights were for sleeping
Being wanted is a thrill I never knew
Till youNow I'm alive, inside I'm glowing
I'm how I want to be
Loving you I can be me
Just meIt's the first time when you touch me
Now I long for rainy mornings
I am certain you're the last man in my lifeI'm a woman ev'ry time our bodies meet
CompleteLong lost feelings stir inside me
Used to think nights were for sleeping
Being wanted is a thrill I never knew
Till youNow I'm alive, inside I'm glowing
I'm how I want to be
Loving you I can be me
Just meIt's the first time when you touch me
Now I long for rainy mornings
Tell each other to find all we're looking for
And moreFound the rainbow I was after
No more dreams with one face missing
I am certain you're the last man in my life
