

O.I.L. (Can't Get Enough Of That Sticky)

Jeff Beck

Tell me you love me, I think about it every day
Addicted to the sweet sticky stuff
That makes a man a slave I just need another hit, just another sip
From that bright black tick tick pump
You keep your drink dough and drugs
There's only one kinda 'crude' that I love (O.I.L.)
I can't get enough of that sticky stuff (O.I.L.)
Can't get enough of that sticky stuff (O.I.L.)
Can't get enough of that sticky stuff (O.I.L.)
Can't get enough of that sticky Yeah, I would kill for the thrill and I regularly do
Popping bottles of black bubbles baby
You gotta do what you gotta do I just need another hit, just another sip
From that bright black tick tick pump
And if you stop me having more
But I tell you there'll be war (O.I.L.)
I can't get enough of that sticky stuff (O.I.L.)
Can't get enough of that sticky stuff (O.I.L.)
Can't get enough of that sticky stuff (O.I.L.)
Can't get enough of that sticky Sticky icky wicky make your mind go tricky
Make a kind man wanna be rough
Sticky icky wicky make your mind go thicky
Make the gentle wanna be tough
Sticky icky wicky make your mind go tricky
Make a good girl wanna be bad
Sticky icky wicky make your mind go thicky
Drive sane folks totally mad (O.I.L.)
(O.I.L.) Sticky icky wicky make your mind go tricky
Make a kind man wanna be rough
Sticky icky wicky make your mind go tricky
Make a kind man wanna be rough
Sticky icky wicky make your mind go tricky
Make a kind man wanna be rough
Sticky icky wicky make your mind go tricky
Make a kind man wanna be rough
Sticky icky wicky make your mind go tricky
Make a kind man wanna be rough
Sticky icky wicky make your mind go tricky
Make the gentle wanna be tough
Sticky icky wicky make your mind go tricky

Make a good girl wanna be bad
