

Ruler Of My Heart

[Irma Thomas](#)

Ruler of my heart, father of my soul
where can you be, I wait patiently
my heart cries out, the pain inside
where can you be, I wait patiently when you're alone, the going gets rough
come back, come back, come back
I've had enough make me a queen, happy again
hear my cries, he's my king
hmmmm, hmmmm, hmmmm, hmmmm
hmmmm, hmmmm, hmmmm, hmmmm when you're alone, the going gets rough
come back, come back, come back
I've had enough
