

Put Em Up

DMX

This is the way it's the way it's supposed to be
 This is the way that I say that it's gonna be
 This is the way that I say it's supposed to be
 This is the way that I say that it's gonna be Let me go, nigga, back up off me
 Dog out the cage, cats walk softly
 Talk real lightly, scared to bite me
 Scared to death to shoot me, scared to fight me In the street niggas is playing the wrong game
 Up in a real nigga face, saying the wrong thang
 At the end of the day, what that really mean?
 Come on, let this bitch ass nigga flee He ain't mean no harm, he ain't mean nuttin' by it
 It ain't mean no wrong, you's a grown ass man
 Let 'em know, dick ain't for ridin'
 Dick is for findin' pussy, then hidin' What is my dick doing in your mouth?
 This ain't a pacifier nigga, c'mon, take that out, please
 Oh shit bitch, this is how dog get down
 Hands in the air whenever dog hit town Put 'em up, come on, put 'em up, come on
 Put 'em up, come on, put 'em up, come on
 Put 'em up, come on, put 'em up, come on
 Put 'em up, come on, put 'em up, come on Put 'em up, come on, put 'em up, come on
 Put 'em up, come on, put 'em up, come on
 Put 'em up, come on, put 'em up, come on
 Put 'em up, come on, put 'em up, come on Y'all niggas heard it through the grape vine
 What's that? X is back, I'ma take mine, yeah
 Name of the game is get in where you fit in, dog
 Nigga, I fit in at the beginnin' Cats living, jumpin' out the window
 Where'd money go? Yo, right out the window
 Whether it's rock and roll, I lock and load
 Shut 'em down, open up shop, oh no, com on Dick ridin' niggas, stay up in it, where you goin' dog?
 Upside your fuckin' head in minute
 First you pick the dudes, stick and move
 Witness smooth, real simple, stick to the rules Why you gotta make shit complicated? I hate it
 Y'all keep a nigga aggravated
 Then rate it, loading up let the hungry eat
 911, it's a beast running loose in the streets Put 'em up, come on, put 'em up, come on
 Put 'em up, come on, put 'em up, come on
 Put 'em up, come on, put 'em up, come on
 Put 'em up, come on, put 'em up, come on Put 'em up, come on, put 'em up, come on
 Put 'em up, come on, put 'em up, come on
 Put 'em up, come on, put 'em up, come on

Put 'em up, come on, put 'em up, what?
