

Together Always

Porter Wagoner & Dolly Parton

You and I have been together for a long long time
And we vowed that we would stay together always
 Life at times has been unpleasant
 Down the trails where fate has led us
But we pray that God will let us be together alwaysTogether together
 Together always you and me
 Forever and ever
 Together always you and me
Through the years our love will multiply and be divided
 By the children added to enrich our lives
 God's been good to you and I
 And in heaven there's eternal life
Beyond this world where you and I will be together alwaysTogether together
 Together always you and me
 Forever and ever
 Together always you and me
 Together together
 Together always you and me
 Forever and ever
 Together always you and meTogether together...
