

Ooh Yeah (Kris Menace Remix)

[Moby](#)

Ooh Yeah (male voice through whole song)[Verse 1]
In the words, can you feel my love?
Everyone's resting, disco time, woah.
Like you're flying through the night in your disco light.[Verse 2]
Walking down the street at night.
The whole world just comes alight, woah.
Moving through the air and you have no cares.[Verse 3]
The whole world can fall apart.
Everybody likes you in the dark, woah.
Moving in the colored lights and it feels so right.[Verse 4]
All the world's gonna fall in line.
Everybody else will come in time. woah.
Like a feeling through the floor, but it's so much more.[Verse 1][Verse 2][x4]
Ooh Yeah (yeah) (woman)[Verse 1][Verse 2][Verse 3][Verse 4][Verse 1][Verse 2][x2]
Ooh Yeah (yeah x4)(Woman)
