Heaven

Adriana Evans

I'd like to walk with you to heaven
I know it's not so very far
And when we finally get to heaven, I'll know that
Maybe time, can make things turn out better
Maybe love, can fix it after all
Rain that falls, will lead to sunny weather
So don't forget when we're apartI'd like to fly with you to heaven
Flyin' way up high
When we finally get to heaven, you know that
Maybe time, can make things turn out better
Maybe love, can fix it after all
Rain that falls, will lead to sunny weather
So don't forget when we're apartOoh heaven
You're not so very far
And when we finally get to heaven
I know that
La la, la la, la la
La la, la la, la la, oh, oh baby
La la, la la, la la
Don't forget when we're apartRepeat until end:
I'd like to thank you for the love you've given me
I'd like to thank you for the happiness you bring
I'd like to thank you for the joy you've given me
