Wipe that Sound

Mouse on Mars

Kick the can
I kick, kick kick the can
I kick the can
Kick the can

Ooh-way, Ooh-way

Wipe that sound
But I do
Wipe that sound
But I deny it
Wipe that sound
Bend us
Bounce bend wipe bend
Don't move it
(x2)

Oh no

Wipe that sound
But I do
Wipe that sound
But I deny it
Wipe that sound
Bend us
Bounce bend wipe bend
Don't move it

Ooh-way, Ooh-way, Ooh-way
(x3)

Wipe that sound
But I do
Wipe that sound
But I deny it
Wipe that sound
Bend us
Bounce wipe bend
Don't move it

(x3)

Ooh-way, Ooh-way

Would you wipe it?
(x2)

Cut the gain (x3)

Wind up my wind with your grinder
With width up my vain
Cut the gain
Hurt me, hurt me twice
The trash will hit
Hit high hit low
While I do neither
I spit I throw up my despisor
Fit fit the bit with it
The trash will hit
Bounce bend bust I
Move fast
I move three to the first
One I rock
I kick the can
I can the first melted

Extend my body to the wider
Spy light I try super fruit lighter
I could neither glide the night
This try

Wipe that sound
But I do
Wipe that sound
But I deny it
Wipe that sound
Bend us
Bounce bend wipe blend
Don't move it
(x2)

Ooh-way, Ooh-way

Get out of my
Get out of my
Get out of my

Get out of my head
(x4)
