

A Feast for the Vain

Kamelot

Everyone is here, the feast can soon begin
Vanity we celebrate, my favorite of sins
Chandeliers so grand that heaven sees the shine
And my friend declares, everything I look at could be mine
It's a miracle, life till now has been a waste
You have proved to me, by your hand I'm truly graced
Unbelievable, gold and glitter blinding me
So adorable, all these women from my fantasies
Come with me my little ones, let's revel for the free
Raise your glass and praise the fact, how easy life can be
In the splendor of the night, I've found company
Once again I feel that life's begun
All the wrongs seem to be right, drowned in ecstasy
Every star is like a newborn sun
