

# Ode To You

Vicci Martinez

[VERSE 1] I done made mistakes  
Made some wrong turns  
Had some fuckups  
Too many ? far as I'm concerned  
Maybe I've held on  
When I should've let go  
But when it comes to you  
You help me get through  
With you I never lose

[CHORUS] I owe it all to you  
I owe it all to you  
You  
I owe it all?  
I owe it all to you  
It's time for you  
You  
It's time for you

[VERSE 2] Babe I hope you feel the same  
'Cause I'm giving all of me, yeah  
I'd take all I have  
And bet it all on you baby, yeah  
You're the only constant truth  
In a world full of lies

I wished for you baby  
Oh I wish for you baby  
Cause when I was knocked down  
Oh you picked me up  
Oh ain't nobody like you  
That's why I fuck with you baby

[CHORUS] I owe it all to you  
I owe it all to you  
You  
I owe it all?  
I owe it all to you  
It's time for you  
You  
It's time for you

If you feel me, put your hands in the air

And say aha oh yeah  
[CHORUS] I owe it all to you  
I owe it all to you  
You  
I owe it all?  
I owe it all to you  
It's time for you  
You  
It's time for you
