

The In Crowd

Cheap Trick

I'm in with the in crowd
I go where the in crowd goes
I'm in with the in crowd
And I know what the in crowd knows Anytime
 Of the year
 Don't you hear?
 [?] Making time
 We breeze up and down the street
 We get respect from people we meet
 They make way, they leech
They know the in crowd is out to seek (tonight) I'm in with the in crowd
 I know all the ancient steps
 I'm in with the in crowd
 Well it's easy to find all the moves Anytime
 Of the year
 You can hear
 [?] If it's glare
 We ain't there We make [?] count
 All set it's the good of the mount
 Other guys: imitators
But the originals are still repeaters Crawl
 Make you crawl
 You got to know when I'm walking
 You got to know when I'm talking
 Empty your hand Anytime of the year
 Don't you hear?
 [?] Spending cash
 Talking trash
 He'll show you a real good time
Leave all your troubles behind I don't care where you been
 You have been nowhere 'til you begin
