Advisory - the following lyrics contain explicit language:

Got me 'bout to break my neck  
Tell me how you pop like that  
You do it like it ain't no sweat  
I never seen a bubble so fat  
You do it all day in the mirror  
You practice all day in the mirror  
Left cheek, right cheek, all year  
I'm calling you out, and I hope you hear it Shawty right there got a ghetto booty  
Shawty right there got a ghetto booty  
Drop a dollar on the floor  
Hope she give it to you  
A ghetto booty  
A ghetto booty  
She got that trunk but she don't look back  
She put it in reverse and I can't be mad  
I can't be mad at that baby fat  
That's a ghetto booty, a ghetto booty She just wanna pop, pop, pop, pop, pop, pop, pop, pop  
That bubblegum  
She just wanna pop, pop, pop, pop, pop, pop, pop, pop  
That bubblegum  
If she keep blinding, might explode  
Never seen a girl like you before  
She just wanna pop, pop, pop, pop, pop, pop, pop, pop  
That bubblegum Oh yeah You do it like a professional  
But you point your own schedule  
Look you're so pretty in pain  
Acting like a shit don't stain  
You do it all day in the mirror  
You practice all day in the mirror  
Left cheek, right cheek, all year  
I'm calling you out, and I hope you hear it Shawty right there got a ghetto booty  
Shawty right there got a ghetto booty

Drop a dollar on the floor  
Hope she give it to you  
A ghetto booty  
A ghetto booty  
She got that trunk but she don't look back  
She put it in reverse and I can't be mad  
I can't be mad at that baby fat  
That's a ghetto booty, a ghetto bootyShe just wanna pop, pop, pop, pop, pop, pop, pop  
That bubblegum  
She just wanna pop, pop, pop, pop, pop, pop, pop  
That bubblegum  
If she keep blinding, might explode  
Never seen a girl like you before  
She just wanna pop, pop, pop, pop, pop, pop, pop  
That bubblegumBlow it like a bubble  
Bazooka, baby  
Clouds on the couch  
You my Hookah, baby  
She got that senile  
Make a grown man crazy  
Got that senile  
Make a grown man crazy  
Shawty in the gym, ass-mazin  
I pull up I get her, as(s) easy  
It's too late to go back  
She look back, I'm teasin  
I'm kodak, my rolex, a moment,the history  
Pussy bumb, tick-tock  
Lip lock, thing pop, I'm done  
T-raw, heart numb  
No love, heart spun  
Baby give me some yum yum  
Big wheelie, surfboard  
Wheelie on the jock, do your thang girl  
And I need me a ride or Die and you'se a freak  
I got seven different girls everyday of the week butShawty right there got a ghetto booty

Drop a dollar on the floor  
Hope she give it to you  
A ghetto booty

She put it in reverse and I can't be mad  
I can't be mad at that baby fat  
That's a ghetto booty, a ghetto bootyShe just wanna pop, pop, pop, pop, pop, pop, pop

That bubblegum  
She just wanna pop, pop, pop, pop, pop, pop, pop  
That bubblegum  
If she keep blinding, might explode
