## Buchanan

I goâ€  
Silenceâ€“A secretâ€“Inside, I know, you know you've got the answer  
It will come true, tonightâ€“Tonight, I hear it in her voice nowâ€“Disaster

Tumbling, fade away  
Waiting, I'm Waiting  
And will the hail stop now that I've finally let you stay?  
Waiting, Been Waiting  
In Winter, ghouls play  
Waiting, I'm Waitingâ€“â€“Tonight, weâ€™TMve never run so fast

Through the trenchesâ€“For daysâ€“You know I didnâ€™TMt have the answer,â€“But take my hand, itâ€™TMs time to r

Tumbling, fade away  
Waiting, I'm Waiting  
And will the hail stop now that I've finally let you stay?  
Waiting, Been Waiting  
In Winter, ghouls play  
Waiting, I'm Waiting

At last (at last) the door has closed on yesterday  
â€“I goâ€  
Tonight, tonight, I hear you scream at last  
I think weâ€™TMre set now

Tumbling, fade away  
Waiting, I'm Waiting,  
And will the hail stop now that I've finally let you stay?  
Waiting, Been Waiting  
In Winter, ghouls play  
Waiting, I'm Waiting

Tonight, tonight, we've never run so fast
