

Fishin' In the Dark

Emerson Drive

Lazy yellow moon comin' up tonight
Shinin' through the trees
Crickets are singin' and the lightning bugs are floatin' on the breeze
Baby, get ready Across the field where the creek turns back
By the ol' stump road
I'm gonna take you to a special place that nobody knows
Baby, get ready You and me going fishing in the dark
Lying on our backs and counting the stars
Where the cool grass grows Down by the river in the full moon light
We'll be fallin' in love in the middle of the night
Just movin' slow Stayin' the whole night through
Feels so good to be with you Spring is almost over and the summer's comin'
The days are gettin' long
Waited all winter for the time to be right, just to take you along
Baby, get ready And it don't matter if we sit forever
And the fish don't bite
Jump in the river and cool ourselves from the heat of the night
Baby, get ready You and me going fishing in the dark
Lying on our backs and counting the stars
Where the cool grass grows Down by the river in the full moon light
We'll be fallin' in love in the middle of the night
Just movin' slow Stayin' the whole night through
Feels so good to be with you You and me going fishing in the dark
Lying on our backs and counting the stars
Where the cool grass grows Down by the river in the full moon light
We'll be fallin' in love in the middle of the night
Just movin' slow Stayin' the whole night through
Feels so good to be with you You and me going fishing in the dark
Lying on our backs and counting the stars
Where the cool grass grows Down by the river in the full moon light
We'll be fallin' in love in the middle of the night
Just movin' slow Stayin' the whole night through
Feels so good to be with you
