

# Drag

## Spectres

You're always ahead of the game  
I drag behind  
You never get caught in the rain  
When I'm drenched to the bone every time  
You're the first one to swim across the Seine  
I lag behind  
You're always ahead of the game  
While I drag behind I drag behind  
I drag behind  
I drag behind  
I drag behind  
You're always ahead of the pack  
I drag behind  
You possess every trait that I lack  
By coincidence or by design  
You're the monkey I got on my back  
That tells me to shine  
You're always ahead of the pack  
While I drag behind I drag behind  
I drag behind  
I drag behind  
I drag behind I drag behind  
I drag behind  
I drag behind  
I drag behind  
You're always ahead of the rest  
When I'm always on time  
You got A's on your algebra tests  
I failed and they kept me behind  
I just gotta get off my chest  
That I think you're divine  
You're always ahead of the rest  
While I drag behind I drag behind  
I drag behind  
I drag behind  
I drag behind I drag behind  
I drag behind  
I drag behind  
I drag behind
