I Don't Have

Nickelback

I don't live anymore
I don't love me this way
I don't have wings to fly
I don't have gone awayI don't have anything
I don't need a space to breathe
I don't hide in sanctity
I don't need what you need
I don't have have a space toI don't claim to know just why
I don't try to pacify
I don't Love me just yet
I don't care
Gone away
OhI don't have anything
I don't need the space to breathe
I don't hide in sanctity
I don't need what you needI don't have have, ohThis ones mine
This ones mine
This ones mine
All mine
Not this time I won't denyThis one's mine
All this time
Not this time I won't deny
All this time, yes it's mine
I won't deny this oneI don't have anything
I don't need the space to breathe
I don't hide in sanctity
I don't need what you needI don't have I don't have
I don't have I don'tI don't have anything
I don't need the space to breathe
I don't hide in sanctity
I don't need what you needI don't have I don't have
