

# Parking Lot

J-Kwon

I can do it too  
I can do it Now errbody in this place is high as me  
So why the Hell is you over there eyein' me?  
Peeps with me, I know you ain't tryin' to leave  
If you is, I'll show you how live I be  
My bad, did I pull your freak?  
Where my bird at? Go hide, I'll seek  
Yeah I'm signed, don't get caught in the hype  
If you do, watch how quick I'll be like Motherfuck this, motherfuck that  
Fuck that bitch, fuck that cat  
Derty, I ain't the type to like to talk a lot  
I got somethin' for your ass in the parking lot  
Motherfuck this, motherfuck that  
Fuck that bitch, fuck that cat  
Derty, once I get you to the parking lot  
I got somethin' for your ass that'll spark a lot Seriously, we can be real with the flow  
J-Kwon, deal with the flow  
Want beef? 'Cause I make money  
All 'cause my watch's face is shaped funny  
Look dogs, watch what you're sayin'  
I put that on my mama and I'm not playin'  
Trip, get hit when the time right  
It's around 3 O' clock, I don't know if the time right Yo, why your boy buggin' me?  
Hell, gon' girl quit buggin' me  
Would've been hollered if you wasn't ugly  
But dude fin' to get hit with this bubbly  
Oh you buckin' up? Bop, beep  
Toss, cocked, quick it's gettin' ugly  
Trickin' with me, 'cause you want the spotlight  
Not if it's got to be like Motherfuck this, motherfuck that  
Fuck that bitch, fuck that cat  
Derty, I ain't the type to like to talk a lot  
I got somethin' for your ass in the parking lot  
Motherfuck this, motherfuck that  
Fuck that bitch, fuck that cat  
Derty, once I get you to the parking lot  
I got somethin' for your ass that'll spark a lot Derty, I don't like to talk a lot  
I got 2 words for you, 'Parking Lot'  
He mad, 'cause the way we win in the spot

Our sidekicks came out, he got a 10 in the spot  
Okay, he ran in the spot  
Do they make him wrong or right? Right or wrong?  
You hatin' because I hate this, I invented this song  
Mother, oh, I supposed to keep going? Idiot, we all know the album droppin'  
I'm for real with the clips, I got 'em on and poppin'  
Dude, they can hit your daughter like me  
Just bought a gun, it's a new artist like me  
Rare, forget your the minute you step wrong  
Fall down on the ground, you hear the step song  
You wanna bang? We ain't even gotta fight  
If we do, watch how quick it be like Motherfuck this, motherfuck that  
Fuck that bitch, fuck that cat  
Derty, I ain't the type to like to talk a lot  
I got somethin' for your ass in the parking lot  
Motherfuck this, motherfuck that  
Fuck that bitch, fuck that cat  
Derty, once I get you to the parking lot  
I got somethin' for your ass that'll spark a lot Motherfuck this, motherfuck that  
Fuck that bitch, fuck that cat  
Derty, I ain't the type to like to talk a lot  
I got somethin' for your ass in the parking lot  
Motherfuck this, motherfuck that  
Fuck that bitch, fuck that cat  
Derty, once I get you to the parking lot  
I got somethin' for your ass that'll spark a lot
